1. Vladimir Tikhomirov, Soviet Director General of USIA, was suddenly recalled to Moscow. Dmitri Sidorov and Kuvshinsky, officials of the USIA Construction Administration, have not returned to Vienna from their vacations in the USSR.
2. In view of current rumors that all former officers of Soviet armored and air force units are now being recalled, Sidorov and Kuvshinsky are probably not going to return to Vienna, since both were formerly officers in armored units.

25X1   Comment: Similar information on the recall of former officers was
